

## Directions to Bethany via the beach:

Approximately 20-30 minutes. This is a nice route and the uphill walk is not so steep.

<< As you leave the ferry pier, you will see these two shops.

Turn right for just a few meters, past the Circle-K shop and then turn left. >>

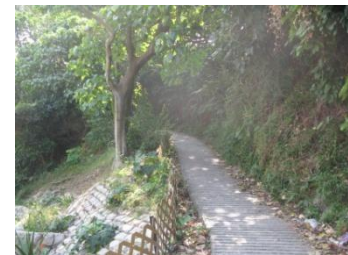

Go straight through the square. Park'n'Shop on your right. You'll pass a B&B on left, East Lake restaurant on your right, and soon come to the beach seafront.

At the seafront, turn right. (If you have a mobile phone, please call us when you get to the beach, on (+852) 2981 7114 or SMS to (+852) 9059 1012 so we know you are on your way!)

Along the seafront, you will pass the Warwick Hotel on your right and the helicopter pad on your left before the next small beach (Kwun Yam Wan beach).

After the beach changing area, the path turns right up the slope. (Signpost: Fa Peng Road).

From here, there are signs to Bethany, except at this << junction where you head straight uphill. At the top of the next slope turn left.

It's a steep final climb but keep heading up, and follow the signs: soon you will arrive at this friendly gateway. Open it and go to Reception.

Well done! It's time you had a rest!
