It is interesting that Khulan should visit at this time, just a few weeks ago we had a family come to stay with us as they also needed to obtain Visa from the Taiwan Visa Office in HK. We are not familiar with the office itself but can provide you with directions for Khulan to get to there and back:

From within HK mainland take the MTR (train system) to Admiralty station. Go to exit B and up the stairs in to Lippo Centre. Taiwan Visa Office is on the 40th floor.

From Bethany to Visa office = walk to ferry pier take ferry to Hong Kong, turn left after leaving ferry pier and walk along to Pier 7 (Star Ferry) then up on to the overhead walkway, following signs to Central MTR station (10-15 minutes walk). Take the blue line to Admiralty (2 stops, 5 minutes) then exit B as above.

From Visa Office to Bethany = go back to Admiralty MTR station (exit B), take the Red or Blue line train to Central MTR station. Then go to Exit A, up the escalator to street level and up again to the overhead walkway, follow the signs to Central Piers. Walk is approx 10-15 minutes, go to Pier 5 and take ferry to Cheung Chau island then walk up to Bethany.

Please see the [MTR map & journey-planner](#) for travelling by MTR train from around Hong Kong.
